Selling Points

1 Ultrabook Performance, Tablet Mobility

The **Acer® ICONIA W700** provides Ultrabook performance in a tablet with Windows 8 OS for a smooth, hands-on multimedia experience. The gorgeous **11.6" Full HD display** features **10-point touch** and **wide viewing angles** of up to 178°, making the ICONIA a visual delight. Create content, social network, watch movies and play games.

The visibly smart **3rd gen Intel® Core™ i5 processor** with **Intel® Turbo Boost Technology 2.0** delivers amazing performance and stunning visuals so you can experience your movies, photos and games smoothly and seamlessly. Get a boost in your performance that you can truly see and feel.

The **Micro-HDMI Port** transfers 1080p HD video to an external monitor, projector or TV for large-screen enjoyment and sharing of HD content with friends and family (Cable sold separately).

Windows 8 has been re-imagined to be all about you. Put what matters most right on your Start screen, and get instant access to your people, apps, sites and more, so you can spend less time searching and more time doing. Windows 8 is smooth, intuitive, and designed to let you do what you want, the way you want.

Check the morning news, update your social media at lunch, and book a restaurant reservation in the evening, with **up to 9 hours of battery life** you have the entire day to do what you want.

2 From Tablet to Full Function PC in a Flash

The ICONIA W700 is the perfect blend of portability and productivity. Grab it on the go in **tablet mode**, or attach it to the dock and use as a **full function PC** with the included Bluetooth keyboard. **Three USB 3.0 ports**, on the dock, make connections to peripherals such as mouse, monitor or external storage easy and you can even charge your USB devices when your tablet is off!

View, touch and browse on demand! The **dock is the perfect stand** for sharing or viewing content in both high and low angles in landscape and portrait mode.

Dolby® Home Theater® v4 delivers a cinematic surround sound experience on your Tablet. Pop it into the dock and that sound is amplified through a specially designed sound tunnel, eliminating the need for external speakers.

Launch the **Acer Ring** for a unique touch interface that is out-of-this-world providing a fast and seamless way to view documents, play music, browse the web and view photos and videos.

3 Instantly Into Everything

Acer Green Instant On gives you fast responsiveness and powerful computing by booting in 6 seconds, thanks to the SSD, and resuming from sleep in just 1.5 seconds and even lasts 80 days in deep sleep mode.

Acer Always Connect remembers frequently visited Wi-Fi spots and connects you to the Internet in just 2.5 seconds. No more waiting.

Built-in 802.11a/b/g/n Wireless provides the freedom to roam to hot spots while **Bluetooth® technology** lets your wirelessly connect to other Bluetooth-enabled devices such as phones and printers, eliminating the need for cables.

The **5MP rear facing** camera and front facing camera present clear, life like images for capturing snap shots or enjoying high-quality face-to-face chats.

With **AcerCloud** your PCs storage IS your Cloud storage with wireless access to your photos, music, videos and documents -- wherever you are, on any PC, on all your devices!

Taglines

Ultra Tablet. Ultra Fast.

Positioning Statement

The Acer ICONIA W700 blends Ultrabook performance and tablet mobility with Windows 8 touch capabilities for hands-on multimedia in brilliant clarity. Grab your tablet to go or attach it to the dock and use as a full function PC with the included Bluetooth keyboard. It also acts as the perfect stand for sharing or viewing content as you view, touch and browse on demand. And with 9 hours of battery life, your digital life is always just a touch away.

Encyclopedia Britannica

iCookbook

(1) Overall system performance is based on several PC attributes. GHZ, processor clock speed, is one of the attributes. Intel® Turbo Boost Technology performance varies depending on hardware, software and overall system configuration.

(2) Shared system memory may be allocated to support integrated graphics depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by the amount of shared system memory utilized by the graphics solution and resources required by the operating environment.

(3) Dolby® is a registered trademark of Dolby® Laboratories. Dolby Home Theater® is a trademark of Dolby® Laboratories.

(4) 1GB is 1 billion bytes. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment. Acer eRecovery Management utilizes up to 10GB of the stated hard disk capacity as dedicated backup space.

(5) The listed battery life is based on MobileMark 2007® productivity mode testing with wireless on. Details of MobileMark 2007® testing are available at www.bapco.com. Battery life rating is for comparison purposes only. Actual battery life varies by model, configuration, applications, power management settings, operating conditions, and utilized features. A battery's maximum capacity decreases with time and use.

(6) For a free copy of the standard limited warranty end users should see a reseller where Acer products are sold or write to Acer America Corporation, Warranty Department, P.O. Box 6137, Temple, TX 76503. TFT displays commonly exhibit a small number is colored dots, so called "nonconforming pixels." This phenomenon is a limitation of TFT LCD technology, not a product defect and, as such, is not covered by the limited warranty or by the upgrade programs. For International travelers warranty Valid only in countries where Acer has an authorized repair facility. For a list of those countries go to http://global.acer.com/support/itw.htm. or call 800 816 2237. Services and response times may vary in countries outside the U.S. and Canada

(7) Microsoft Office 2010 Trial included. After or during the 60-day trial purchase an Office 2010 Product Key to activate one of the following Office 2010 suites preloaded on this PC: Office Home and Student 2010, Office Home and Business 2010, Office Professional 2010.
